Book Covering and Naming

- Due to the high quality of glossy cover on workbooks currently we believe it is unnecessary to cover workbooks with additional plastic covers.
- **PLEASE** ensure that your child's name is on the **front cover** of all books and preferably at the top of the book for ease of distribution in class.

Extras

- 1 x 32 page junior maths copy (1cm square)
- 8 x 88 page exercise copies
- HB pencils, eraser, ruler & sharpener (with container if possible)
- Twistables

School Purchase Scheme

- Please note that we are ordering school diaries, display books, envelope folders and pritt sticks for all children as a bulk order through the school. Children will be given their required items in Sept. This will ensure a greatly reduced price on all items and will come out of their envelope fund.
